

Stowe Nine Churches Village Newsletter

AUTUMN 2023

Stowe Nine Churches WI – Events and Activities

The WI have had a varied and interesting year to date with interesting speakers and outside excursions. During the autumn we will be learning how to needlefelt with a follow up workshop later in the year; learn about homeopathy and health; hear from a local author about 'What Lies Beneath the Surface' and will put together the poppy display for the War Memorial in readiness for Remembrance Sunday. As always we are keen to encourage new members to join us free of charge to get a taste of what being a WI member is all about. Please contact Audrey Mason on 01327 341146 or Lou Stockwin on 07825513349 for more details.

Poppies for Remembrance

Stowe Nine Churches WI are continuing knitting Poppies for our Remembrance Service on Sunday 12th November. If any person would like to knit some Poppies over the next few weeks, please 'phone Audrey Mason on 01327 341146 who will provide you with wool and patterns.

During October we will be meeting in the School Rooms on 4th and 11th between 7pm and 9pm to attach all the Poppies to mesh which will then be attached to the railings near the War Memorial in time for the Service.

Any assistance will be most welcome. Thank you.

Garden Produce Stall

The produce stall outside the school rooms in Church Stowe has been well supplied this year with vegetables and plants which have been popular with visitors and villagers alike. If anyone owes money for items taken, please remember there is a pink pot in the porch of The Old School House for donations. The stall will remain in place until October half term so please continue to donate and make use of locally grown vegetables and fruit with minimal air miles!
